12:04:20 From Christy Martin : Sorry to have to leave at 9:15 Pacific time. Glad to be with y'all as long as possible!

12:04:43 From Amy Castronova : Been thinking of you, @Melissa Horne ❤️

12:04:50 From Ellen Grinsfelder : loved the new format.

12:06:28 From Laurel Delaney, Chicago Chapter Chair : Go Lindsay! Congrats!

12:06:43 From Hulya Kurt : Congratulations

12:06:46 From Virginie Audet : Congratulations Lindsay ! 🧐

12:06:48 From Valeria Rodriguez Codina : Congrats!!!

12:07:13 From Lindsay Calder Recknell : thank you, friends! Its been amazing...and a lot 😊

12:07:24 From Kathy Long Holland : What are the 5 regions?

12:08:35 From Ellen Grinsfelder : I did have one question from the update. Was the RFP for a financial investment firm in the Member Update? I have a member that just left Camille a phone message and she didn't see the RFP.

12:08:45 From Briea (she/her) : This sounds like a wonderful resource you are adding!

12:09:08 From Anni Wilhelmi : Congrats Lindsay! You will be dynamite in the role

12:09:23 From Lindsay Calder Recknell : Your support has been incredible, @Anni Wilhelmi!

12:09:25 From Tomi Jane DeTorres : Hi @Ellen Grinsfelder! Yes - this was in the WPO Brief. If you want to get her in touch with me over email, we can point her in the right place. :)

12:09:25 From Sara Charbonnet : The RFP was in the weekly brief! We'll make sure to include it in the CC Town Hall wrap up as well.

12:09:41 From Karen Tracey : Well done, Lindsay. I am sure you will be a triumph

12:09:43 From Lindsay Calder Recknell : Please feel free to reach out to me anytime!

12:10:23 From Virginie Audet : @Anni Wilhelmi amazing work !

12:11:45 From Karen Tracey : It sounds like a great idea to drive support, growth and communication

12:13:57 From Ellen Grinsfelder : Great idea on regional leads. Excited to learn and connect with the Midwest person.

12:14:11 From Elizabeth Davis : Will we be able to have some time at the Forum for regional meetups?

12:14:13 From Lauren Nichols - 3G Warehouse : I'm telling my husband it is all week 🎉

12:16:30 From Laura Crothers (Crothers Consulting) : Makes sense

12:17:41 From Zoom user : We have been using since early on and it has gone over really well.

12:18:10 From Dr. Sandi Webster : I've been using it and now they don't think there was anything else!! I will give them the latest document for October.

12:18:23 From Elizabeth Davis : They love the “What are you tolerating questions” and the commitments as a great enhancement

12:18:50 From Virginie Audet : The process was well received but since there is a lack of time, the members decided to exchange only on their professional lives.

12:20:45 From Dawn O'Connor - Calgary I & III : well done Anni!!

12:22:22 From Karen Tracey : I would like to add some remarks - My raise your hand is not visible sorry

12:23:01 From Mary Jane Pioli : We time our updates and give them time according to how many attendees. This keeps them on track.

12:23:09 From Elizabeth Davis : Having a timer is really important

12:23:39 From Dawn O'Connor - Calgary I & III : My timer is key to success. It is visual and has an annoying beep at the end

12:24:06 From Dawn O'Connor - Calgary I & III : Love that comment Jane - the continuity is so important. And you are a rock star to create the Binder :)

12:24:13 From Patricia Shea : Jayne, you are making us all look bad!

12:24:22 From Amy Castronova : Same. I try to limit to 4 minutes/person although this new form is taking a bit longer

12:25:03 From Dawn O'Connor - Calgary I & III : I have Binder envy now!

12:25:17 From Dawn O'Connor - Calgary I & III : Love that Tanya!!

12:25:22 From Leah Goldstein Moses : Glad to hear these successes as I'm planning to do something similar for 2026.

12:25:28 From Dr. Sandi Webster : I love the binder idea!

12:27:24 From Dawn O'Connor - Calgary I & III : Thanks Karen, great feedback!

12:27:42 From Valeria Rodriguez Codina : Sorry I need to leave. Great new format!!!!

12:28:06 From Dr. Sandi Webster : Love the name tent idea!

12:28:19 From Brica (she/her) : What everyone is doing on LinkedIn is helping build awareness in my network for WPO. Thank you HQ for investing in consistent social media marketing and for you all who are engaging.

12:28:49 From Jeanne Coughlin : Would the materials include branded notebooks? That would be very cool....

12:28:55 From Hulya Kurt : I need to leave now sorry

12:30:41 From Dawn O'Connor - Calgary I & III : The goal is to evergreen a few key Spark kits.

12:30:51 From Mary Jane Pioli : what does that mean for our relationship with Harvard? Can we still claim we have a strategic relationship with Harvard?

12:31:04 From Elizabeth Davis : Possible to develop some of our own based on chapter chair areas of expertise?

12:31:15 From Dr. Sandi Webster : My groups complained that it was a separate portal and they can't remember their password!

12:32:42 From Kirsten Wynn : fun activity: Two truths and a lesson: Instead of the usual "Two Truths & a Lie," each CEO shares: 2 surprising truths from their business journey, and 1 lesson learned the hard way.

12:32:54 From Mary Jane Pioli : Is there a write up we can send members with a link to the application for the program?

12:32:56 From Karen Tracey : I think with the onset of Chatgpt and other AI, members tend to use this rather than something like SPARK. I really liked it but of course there are many portals. The Spark Kits are fabulous

12:33:16 From Dawn O'Connor - Calgary I & III : My Golden Nugget is hosting at "App Exchange" session at a meeting - asking members to share their favourite app / book/ tool etc... with peers. It was fun and great learning.

12:33:21 From Tomi Jane DeTorres : yes! the information in the WPO Brief email is great to grab for this

12:34:05 From Elizabeth Davis : My hand raise not working. I would like to share a nugget

12:34:08 From Susan : North Carolina retreat coming up as well. Everyone very excited

12:34:54 From Melissa Horne : Camille I may need to go to Miami,,,,, 

12:35:00 From Karen Tracey : Nugget- When I have a new member in the room, I table on the agenda a "Me Myself and I" presentation by them. This drives greater knowledge of them in the first meeting and helps with their confidence. I just did this with a new member and they loved it

12:35:38 From Karen Tracey : Love this, Dawn

12:36:03 From Mary Jane Pioli : we just had a retreat this weekend and our theme was wellness (The whole leaders: a retreat for sustainable success) and was fantastic.

12:36:11 From Dawn O'Connor - Calgary I & III : Love this. We do this as well - give 15 min for a deep dive on their story. Its a highlight of every meeting

12:36:35 From Dawn O'Connor - Calgary I & III : Elizabeth - i will borrow your AI show and tell idea.

12:36:59 From Elizabeth Davis : It's so fun. Actually helps me!

12:36:59 From Laurel Delaney, Chicago Chapter Chair : How does that fit in with the consistency of the PeerView™ process Elizabeth – the AI Show and Tell?

12:37:20 From Karen Tracey : Nugget - Our retreat this year was “Improve your Wealth, Brand and Wellness” Our 3 speakers on these 3 segments were all members. It was a great success

12:37:43 From Kandy Hirsch : Amelya Can you share your presentation outline?

12:38:00 From Elizabeth Davis : The AI Show in Tell is a segment of the meeting and is not part of the check-in. Additionally we do a Member Spotlight which is a deep dive of the person's business, personal and family. These are just additional sections of the meeting

12:38:06 From Dawn O'Connor - Calgary I & III : Good question Laurel - ideally PeerView is used at 80% of meetings. Also, there is often time at every meeting for a 15 - 30 min spot for extracurricular stuff like this.

12:39:25 From Elizabeth Davis : I also have each member rate the meeting from 1-10 with 10 being the best. It allows me to get real time feedback on the meeting and especially their thoughts on speakers if there is one.

12:39:38 From Briea (she/her) : I have a potential member who lives in San Jose / Morgan Hill California. Do we have any open chapters there? This is a very dynamic business woman who has a highly successful business as an Amazon Influencer.

12:40:45 From Tomi Jane DeTorres : that would likely be our Silicon Valley chapter!

12:41:17 From Jayne Huston : I do this with my new members too. As she shares her story, I ask members to note one connection they have with the new member and as we then give our updates, they make that immediate connection to the new member. Helps greatly with assimilation of of the new member.

12:41:58 From Laurel Delaney, Chicago Chapter Chair : Here is the 22nd Annual WPO Chicago Summit info: <https://womenpresidentsorganizationchicago.blogspot.com/2025/08/the-22nd-annual-wpo-chicago-summit-2025.html>

12:43:09 From Laurel Delaney, Chicago Chapter Chair : Thank you Amelya. Glad it is working out!

12:47:55 From Karen Tracey : I also do the same as Dawn. PeerView is the central part of the meeting and we will also have a segment on learning, recruitment, scheduling etc.

12:49:09 From Lindsay Calder Recknell : welcome @Neeru Sharma!!

12:50:03 From Dr. Kristin Morris : Welcome Neeru!! So glad that you're here!

12:50:34 From Anni Wilhelmi : Lovely to have you with us Neeru

12:50:59 From Dawn O'Connor - Calgary I & III : It will be Oct 16 for this training on sensitive convos within chapter meetings

12:51:16 From Kirsten Wynn : Canada: We all want your members at the forum this year! Let me know how we make that happen :)

12:51:20 From Susan : Wpo_NC

12:51:29 From Marla Noel : I would love help posting social media for new podcast Perher Perspective

12:52:21 From Virginie Audet : Tanks you @Dawn O'Connor - Calgary I & III ❤️

12:52:32 From Susan : Can you send those to us

12:52:56 From Patricia Shea : Laurel, could you share your email and Dawn's answers?

12:53:02 From Laurel Delaney, Chicago Chapter Chair : Thank you all.

12:53:13 From Virginie Audet : Thank you to everyone !! It was a very good meeting !

12:53:23 From Dawn O'Connor - Calgary I & III : If its OK with Laurel and I can share :)

12:53:37 From Mary Jane Pioli : great meeting, thank you!

12:53:45 From Jayne Huston : Thank you! Love this new format with video updates!
