

# 2026 WPO Member Benefits

## BECOME A MEMBER

WPO members must be the CEO, President or Managing Director of a privately-owned business, running the day-to-day management of the company, and have ownership in the business. Gross revenues of the company are at least \$2 million USD for product-based businesses, or \$1 million USD for service-based businesses. *Revenue thresholds are listed in USD. For applicants outside the U.S., we apply a Purchasing Power Parity (PPP) adjustment to ensure fair, country-specific qualification.*

## LEARNING & NETWORKING

- In monthly meetings across the world, WPO members take part in professionally facilitated peer learning groups, conducted in WPO's proprietary PeerView™ format, to accelerate the growth of their businesses
- Peers provide unbiased observations which enables members to explore options, weigh alternatives, and gather perspectives together, free of the potential bias inherent in advice for hire
- Access to accomplished women leaders from diverse, non-competitive industries who share insight gained from real-world business experience in a trusting, confidential setting
- Members can utilize the WPO member portal to access a worldwide membership directory, featuring members who hold leadership roles in second-stage businesses and beyond

## EXECUTIVE EDUCATION

- Opportunity to participate in the WPO Entrepreneurial Excellence Forum, the premier gathering of women entrepreneurs who lead multi-million-dollar businesses
- Webinars presented by subject matter experts, open to members and their company staff
- Regional meetings, retreats, and chapter-to-chapter exchange events, at the invitation of a local chapter

## EXCLUSIVE BENEFITS & OPPORTUNITIES

- E-newsletters to keep updated on the latest opportunities and benefits of membership
